Wyzant Tutoring Services

We understand how challenging it is to juggle graduate school, home and other commitments. Due to the demand for support in the following core courses - finance, accounting, data analysis, and economics, we have partnered with Wyzant, to offer you **up to 20 hours** of free, 1-to-1 online professional tutoring.

How to Sign Up for Wyzant Tutoring

Step 1: Activate Your Wyzant Account

- Use Google Chrome for a better experience with the platform.
- Click or copy/paste this URL into your browser: **https://highered.wyzant.com/signup/rice-student**
- Fill out the form and set up your password. Make sure you use your **@rice.edu** email.
- You will receive a message indicating that your request was posted. You can now proceed with Step 2.

Step 2: Request a Tutor

- Click or copy/paste this URL into your browser: **https://www.wyzant.com/login?ReturnUrl=/highered/signup/rice-student**
- Use your @rice.edu as a username and the password you set up in step 1.
- Choose the subject needing support (select from the four core subjects: finance, accounting, data analysis, and economics).
- Describe the topic in the box and click on ACCEPT AND POST MY REQUEST.

Step 3: Search & Select a Tutor

- Click on Dashboard (disregard the "Your Request Was Posted" message).
- Search for a tutor by subject area (e.g., "ACCT Core Accounting Courses").
- Select the tutor of your preference based on tutor bios, availability, and ratings.

Step 4: Request a Session

- Click on "Contact [TUTOR NAME]"
- Send a message to the Tutor.
- Select the day and time for your session.
- Request a session **at least 12 hours in advance** (shorter notice is allowed but not guaranteed).

Important Guidelines

- Rice Business provides you with **20 total hours** of tutoring for the supported core quantitative courses listed above (**finance, accounting, data analysis, and economics**).
- Canceling a session without proper notice costs 30 minutes of your allotted tutoring time.
- Time is in five-minute increments, monitored by both Wyzant and Rice.
- Tutors are vetted by Wyzant, in terms of skillset and quality.
- Faculty reserves the right to place additional conditions on a tutoring session.
- Tutoring is to provide guidance and reinforce curricular concepts, and not to help with any graded assignments.
- All activities must comply with the Rice Honor Code and Wyzant's academic integrity policies.

Honor Code / Academic Integrity

As a reminder, the tutoring services provided by Wyzant are under the Rice Honor Code policy. Please do not put the tutor or yourself in a compromising situation.

"On my honor, I have neither given nor received any unauthorized aid on this (exam, quiz, and paper)."

Additionally, Wyzant addresses academic integrity in the Wyzant Tutor Agreement.

"Academic Dishonesty. Independent Tutor agrees not to use the Site to engage in academic dishonesty (e.g., completing assignments, writing papers, taking tests on someone's behalf, or work completion in violation of conduct policies of a school, university, academic institution or workplace) or other misconduct involving a Tutor's Students."
