Description:

Owl Bowl will be celebrating its eighth year as the annual Charity Flag Football Tournament hosted by the Rice Business Student Association for Professionals. The event is open to all Houston area MBA programs and is the only event that brings together students from across **all Rice Business programs**, as well as alumni and members of the Houston MBA community. It is an exciting and fun Rice Business tradition that brings out students' families and friends as well as Rice Business alumni, faculty, and staff as spectators to enjoy some football and a few beers.

To compete each team must raise \$500 going toward supporting several local charities including **The Marine Corps Coordinating Council**. For many Rice MBAs, Owl Bowl is among the highlights of their MBA experience because it is an opportunity to socialize and compete with classmates outside of the classroom, as well as give back to the city that we call home. Last year, Owl Bowl donated \$8,000 to with the proceeds from the tournament. We encourage you to **form a team and join in the festivities**. More details available on Campus Groups.

A Living Tradition:

Form a team today to compete for the coveted Owl Bowl trophy. The day will begin early with festivities going into the evening. Spectators are encouraged with food and beverages available for all registered attendees.
